4 HEINZ LICHTENEGGER
High-value products that sound good – that’s the very simple philosophy of the founder of Pro-Ject. He talks about how it all started, and what his plans are for the future

8 STAN’S SAFARI
Stan examines how changes in the way we listen have influenced the demands placed on amplification, from the arrival of CD to the modern age of streaming music

10 WILSON AUDIO CHRONOSONIC XVX
Though this may be the ‘standard’ version of the WAMM Chronosonic XVX, it’s anything but normal: Martin Colloms gets to grips with the extraordinary engineering, and remarkable sound, of this huge and striking-looking loudspeaker, and listens to it in a system with a near-£1m pricetag

23 CAMBRIDGE AUDIO EVO 150
The London-based company launches an assault on the all-in-one streaming audio system arena with a wonderfully stylish, flexible and fine-sounding model, with industrial design to match its superb sound

27 LINN KAROUSEL
An all-new bearing is the latest upgrade for the long-running Linn LP12, still the turntable of choice in the Colloms system. He compares old and new, and finds it brings marked benefits – as does a Dynamik upgrade to his LP12’s power supply

31 AURALIC ALTAIR G2.1
The latest version of Auralic’s network player/preamp is even more ambitious – it even has a phono stage! – and proves a highly capable heart for any digital based system, says Andrew Everard

34 NOISE CANCELLING INVESTIGATED
The ability to exclude external distractions via digital processing is now found in many headphones, but does it steal the music, too? Keith Howard takes a closer look at this popular technology

38 CEC’S DIGITAL DUO
Kevin Fiske takes a listen to an unashamedly CD-only transport and DAC combination from the long-established Japanese manufacturer, complete with a proprietary digital link, and comes away highly impressed. Well, almost...

41 CYRUS i7 XR
The shoebox shape of the latest amplifier from the Cyrus stable may be familiar, but Ed Selley finds this is the most significant upgrade in a decade

43 AUSTRIAN EXPERTISE
Austrian Audio is rapidly building a reputation for headphones and more, in the pro audio market and beyond. Keith Howard assesses two of its core models

46 FRANCO SERBLIN ACCORDO
This luxury standmount speaker clearly shows its late designer’s roots, and the sound is entrancing, says Ed Selley

48 DENAFRIPS TERMINATOR PLUS
There’s a lot of Internet buzz about the DACs from this Chinese brand. Kevin Fiske takes a long listen, and finds patience is a virtue

46 AUDIO NOTE PALLAS II
Not one, but four new digital interconnects from Audio Note, at prices ranging from almost £1200 for a metre: Chris Frankland crunches the numbers and explores further

50 McINTOSH MCD85
This latest arrival from upstate New York may not look much like an SACD/CD player, but Chris Kelly discovers it sounds like a very good example of the breed. It even makes his TV sound better!

54 TOWNSHEND AUDIO ALLEGRI REVISED
The latest version of Townshend’s passive line controller features wholesale changes, from the display to the feet, and Martin Colloms finds it sounds better than ever

56 EDWARDS AUDIO TT4
British designed, engineered and assembled, this value for money turntable, supplied complete with unipivot arm and cartridge, is a conspicuous bargain, says Chris Kelly

60 THE MUSIC
The latest classical releases, new jazz and more on DSD, plus vinyl finds.

64 SOUNDSTAGE
Are we all too busy being serious about our systems to kick back and have fun with the music? A game of ‘pass the Bluetooth’ at a party has Andrew Everard wondering...
